

CARTRIDGES CAN BECOME PENS & INK

CARTRIDGES **4**
PLANET ARK

100%
recovery

100% of materials from printer cartridges are recovered. Meaning zero waste to landfill.

Mixed and contaminated plastics made into eWood, a timber replacement

Residual toner is used in TonerPave™ and TonerPlas™ asphalt

Residual ink is made into 90% recycled Enviroliner pens and recycled artist ink.
It's product stewardship in action!
